They are/were violent and dangerous men; the sheer brutality of their crimes showed this and needed no further embellishment. The only complaint I have about this book is that it sort of ended in the thick of things, with one of the killers being granted yet another stay of execution, without any explanation as to what eventually happened. This is a very good memoir, well-written and researched and as objective as we have any right to expect it to be.

If you see the difference between no=20 fair princess and no fair princess you understand that text has a signifying visual component. A poem on a p= age=20 in a book is possibly purely textual. A painting of a figure is possibly = purely=20 visual. And between these two extremes lives a very wide expanse of=20 exploration which blends the two. The examples we'll see and discuss were= =20
