Cinderella and the Ghost by Marina Myles Paperback

First off, I absolutely love the Cursed Prince series and am I little sad to see it end. However on that note I love how everything came full circle. I really enjoyed this book, probably my favorite out of the series. It took me less than 8 hours to finish this book. I loved this retelling of Cinderella and I must say one of my favorite retellings. I defiantly recommend if you are a fan of paranormal romances.
