Thai Chicken Curry in Coconut Milk Recipe Allrecipes com

Heat the oil in a large skillet over high heat; heat the curry paste in the oil about 30 seconds. Add the chicken and cook another 3 minutes. Stir in the onion, bell pepper, lemon zest, coconut milk, fish sauce, and lemon juice; bring to a boil; cook until the chicken is cooked through, 5 to 7 minutes.

Thai Coconut Chicken Recipe Allrecipes com

Maybe I'm just used to eating more Thai dishes because I live in NYC and there are lots of great Thai restaurants but this is NOT how Thai food should taste. There was no flavor in the broth other than a light hint of curry powder from the chicken. The veggies didn't have any flavor to soak up so they didn't taste like anything. Overall very bland but if you don't usually eat flavorful Thai food maybe this recipe is for you. Is it very simple to make so that's why it gets 2 stars instead of 1.
