HIST 154 US History to 1877 History Resources at Mott

The early history of the United States begins long before a nation called the United States came into being. It begins with the indigenous peoples of North America and transitioned into an age of European colonization and conquest. It continued with the increasing dominance of the British in North America and the subsequent separation of 13 of those British colonies and the formation of the United States more than two centuries after European colonization began.
